Hi Karrie,

I don't have anything urgent to report. It was actually a pretty quiet week last week so yay for that!

I did get the signed copy of the Roulette RTC. I sent it to the Seneca Nation earlier this morning. I wasn't even sure what language Cathy changed in the cover letter so I think I'm okay with the changes she made.

Thanks for the updates! Looking forward to our check-in on Wednesday :)

A few updates from this morning's 8:30:

- Cathy

Nonresponsive based on revised scope

- Signed Roulette last night – modified some language in the cover letter to Seneca Nation about our consideration of the Seneca Nation's comments. Usually send whole thing back to Branch/Section but unsure whether changes are highlighted (Kevin: please let me know if you received the final signed and if you have any questions)

Thank you,
Karrie
